

April 15, 1975

Dear Sir:

I realize that you are a very busy and important person, but I have a request to make of you which I sincerely hope that you will see fit to fulfill. If you do not mind, would you please send me a personally autographed photograph of yourself. If you would put on it; "To Deborah, My very best regards and kindest wishes, the sign your name, and put, April, 1975," I would be very appreciative to you. Also please do all of the signing yourself instead of letting someone else do it for you as I have heard done. I shall be looking for a reply in the very near future and I do really hope that it is a favorable one.

With all good wishes for you and your family, I am,

Sincerely,

*Deborah Norman*
